Sir :

In accordance with the duty of disclosure under 37 C.F.R. §1.56 and §§1.97-1.98, Applicant hereby brings the following information to the attention of the Examiner in charge of the above-identified application, which includes information cited and discussed in the specification and the International Search Report issued in connection with International Patent Application No. PCT/JP04/4547, of which the present application is the U.S. National Stage Application. A copy of the International Search Report (in Japanese) was enclosed with the papers when entering the National Stage on December 27, 2004. The Examiner is invited to review these materials to inspect the relevance indicated during international examination with respect to the documents cited

therein. The following is a list of the documents cited in the above-noted documents:

Japanese Laid-Open Patent Publication No. HEI 6-71972, together with an English language translation of the same. Applicant notes that this document is cited on page 1 of the specification of the present application;

Japanese Utility Model Publication No. HEI 7-5087, together with an English language translation of the same. Applicant notes that this document is cited on page 1 of the specification of the present application;

Japanese Laid-Open Patent Publication No. HEI 1-38376, together with an English language translation of the same;

Japanese Laid-Open Patent Publication No. HEI 11-156792, together with an English language abstract and translation of the same; and

Japanese Laid-Open Patent Publication No. HEI 8-231113, together with an English language abstract and translation of the same.

Applicant also brings to the Examiner's attention the following document:

U.S. Patent Application No. 10/929,371 to NAKAYAMA, which was filed on August 31, 2004.

Further to the U.S. Patent and Trademark Office's decision to waive the requirement under 37 C.F.R. §1.98 (a)(2)(iii) if the U.S. patent application was filed after June 30, 2003, a copy of the U.S. patent application is not enclosed herewith. However, if a copy is needed, the Examiner is respectfully requested to contact the undersigned.

Except for U.S. patent application, Copies of the above-noted documents are enclosed together with a duly completed Form PTO-1449. The Examiner is accordingly requested to consider each of these documents, and to make them of record in this application by initialing in the appropriate spaces on the Form PTO-1449. Applicant respectfully requests that the Examiner include a copy of the initialed Form PTO-1449 with the next communication from the U.S. Patent and Trademark Office.

Applicant notes that an Office Action on the merits has not issued in the present application, and thus no fee is believed necessary to ensure consideration of the submitted material.

Should there be any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully Submitted,
Hiroyuki ARAKI
